

Project Graduation

2013

Installation

Alliance Ethio-Francaise, Addis Ababa, Ethiopia

About: This installation project is a commentary on Ethiopian government education program in relation to its strategies to fulfill the gap of unemployment in the country. The project was presented in the framework of Prêt -à- partager www.amazon.com/Pret-Partager-Transcultural-Exchange-Fashion Ethiopia Program at Alliance Ethio-Francaise allianceaddis.org/en/. Since the project was a critique on government policies, the project statement was censored by the institution.
